

# Indian Farming

## Article certificate

I.D. No:

Article entitled:

.....  
.....

It is certified that:

1. The articles has been seen by all the authors (signature given below), who are satisfied with its form and contents.
2. Due credit of authorship has been given to every scientist who has notable contribution to the paper, and we are satisfied with the sequence in which the author's names appear in the by-line (author's name).
3. The by-line of the article does not include any name of a scientist who has not made a notable contribution to the paper.
4. A no objection certificate from the Head of the Organization is attached.
5. The address of the institute appearing below the by line is that of the institute where the research was conducted and not that of the institute where the first author (for the author who has sent the paper) is currently employed.
6. The results reported in the article have not been simultaneously sent for publication in any other journal/magazine.
7. The article has not been rejected for publication in any other journal.
8. If published the copyright of this article would vest in the INDIAN COUNCIL OF AGRICULTURAL RESEACRH, which has the right to enter into any agreement with any organization in India or abroad engaged in reprography, photocopy, storage and dissemination of information contained in it, and neither we nor our legal heirs will have any claims on any royalty.

Signature	Name in Full and Designation, Address	Present Official Address	Subscription with date number

The above certificate is correct to the best of my knowledge and I have no objection to the publication of the article cited above in *Indian Farming*

Signature and address of Head  
Of the Department/Head of the Institute
