**CONTENTS**

---

**PART - I: RESEARCH PAPERS****Crop Sciences**

- Genetic variability and correlation studies of different rice (*Oryza sativa* L.) genotypes under aerobic condition  
 - SYED SHA TAHER QUADRI, SHASHIDHARA N, UDAY G REDDY, KUMAR D LAMANI ..... 128
- Assessment of variability of Horse gram (*Macroty lomauniflorum* (Lam.) Verdc) germplasm lines for morphological and physiological traits  
 - KARTHIK M, BANGAREMMA WADEYAR, SOREGAON C D AND ASHWATHAMA V H ..... 132
- Response of buckwheat (*Fagopyrum esculentum* Moench.) genotypes to nutrient levels in vertisols of Northern Transition Zone of Karnataka  
 - KEERTHI H P, BIRADAR SA, HULIHALLI U K AND GEETA S TAMGALE ..... 136
- Effect of boron and molybdenum on chickpea under rainfed ecosystem  
 - ARVIND, PATTAR P S, NANDAGAVI R A AND KARABHANTANAL S S ..... 140
- Effect of zinc and iron on growth, yield and quality parameters of onion  
 - AKSHATA MANGOND, NANDAGAVI R A, PATIL S B AND KUMARA B H ..... 145
- Fodder productivity and economics of berseem cultivation as influenced by varieties, row spacing and nutrient levels in transitional tract of peninsular India  
 - VIDYASHREE B S, KUBSAD V S, SHIVAKUMAR B G, ANIL KUMAR G H AND MANJUNATHA HEBBARA .... 150
- In vitro* evaluation of seed dressing fungicides against seed borne diseases of Bt cotton by paper towel method  
 - GANGADHAR, KULKARNI V R, RAO M S L AND AKBAR S MD. .... 154
- Effect of different temperatures, relative humidity, incubation period on conidial germination of *Erysiphe necator* causing powdery mildew of grapes  
 - SAGAR N, JAMADAR M M, SHALINI N H, JAGGINAVAR S B AND PATTAR P S ..... 157
- Antagonistic activity of native *Trichoderma* spp. and fluorescent Pseudomonads against *Rhizoctonia solani* causing sheath blight in rice crop  
 - GURURAJ SUNKAD, AKSHATA S G AND RANJANA JOSHI ..... 162
- Incidence pattern of pink bollworm, *Pectinophora gossypiella* (Saund.) on different event Bt and non-Bt cottons  
 - NAVYA NIRANJAN AND UDIKERI S S. .... 168
- Survey and surveillance of soybean pink pod borer, *Cydia ptychora* (Meyrick) in northern Karnataka  
 - SURAIYA A ATTAR, CHANNAKESHA R, ROHINI SUGANDI AND G SOMANAGOUDA ..... 172
- Scopus Indexed Scholarly Publications of Academics at the University of Agricultural Sciences, Dharwad: A Bibliometric analysis  
 - KRISHNA S MARADDI, GIRISH N MARADDI AND CHANDRAKANT N KOTABAGI ..... 176
-

---

Comparative advantage and direction of trade in export of marine products from India	
- VINOD NAIK, NETHRAYINI K R AND KAMAL SINGH .....	183
Economic analysis of horticulture nursery enterprises in Koppal district of Karnataka	
- SHWETANJALI, PRABHULING TEVARI, SURESH K, DEVENDRA BEERALADINNI AND SHIVANAND KAMMAR ..	189
Examining client tech-readiness in the digitization of Microfinance	
- DIVYA SAJAN, SAMUEL JOSEPH C, NAVANEETHAM BAND MAHILAVASANTHI T D .....	195
Constraints faced under open and protected cultivation of vegetables- A case study of tomatoes and capsicum in Karnataka	
- MANOHAR B H AND BALACHANDRA K NAIK .....	203
Effect of cold plasma on seed quality in soybean ( <i>Glycine max</i> L.Merr)	
- GAGANAV, DESHPANDE V K, VINOD KUMAR, RAVIKUMAR R HOSAMANI .....	207
Annual rainfall analysis of historical and projected weather for South Interior Karnataka, India	
- VISHWANATH VENKAPPA MARADDI, SUMESH K G, PATIL R H AND JAYANTH BHAT .....	210
<b>Forestry</b>	
Leaf morphometric variation among the different natural sources of <i>Cinnamomum zeylanicum</i> Blume. in Uttara Kannada district	
- SOURAV MANOHARAN AND HANUMANATHA M .....	220
<b>PART - II: RESEARCH NOTE</b>	
Effect of seed bio priming with endophytes on seed quality of soybean under induced drought stress	
- PRADEEP, DODDAGOUDAR S R, UMESH HIREMATH, ARUNKUMAR HOSAMANI AND GNYANADEV B .....	226
<b>Key words Index .....</b>	<b>231</b>
<b>Authors Index .....</b>	<b>233</b>
<b>Instructions to Authors .....</b>	<b>234</b>
