

CONTENTS

RESEARCH PAPERS

Crop Sciences

- Impact assessment of cluster frontline demonstrations on soybean yield improvement in farmer's fields 98**
 - S. A. JAYBHAY, P. G. SURESHA, B. D. IDHOL, B. N. WAGHMARE AND D. H. SALUNKHE
- Assessment of genetic variability in landraces of rice (*Oryza Sativa* L) for grain iron and zinc content using energy-dispersive X-Ray fluorescence spectrophotometer (EDXRF) 104**
 - B. P. SHWETHA YADAV, C. N. NEERAJA, P. SURENDRA, CHITTI BHARATKUMAR, C.P. CHANDRASHEKARA AND M. J. MANJU
- Effect of different organic sources on growth, yield and economics of buckwheat (*Fagopyrum esculentum* Monech)..... 110**
 - MOHAMMED YASEEN, U. K. SHANWAD, U. K. HULIHALLI AND K. K. MATH
- Drought management in chickpea through foliar nutrition 113**
 - R. THEJASWINI, R. A. NANDAGAVI, S. B. PATIL AND M. S. SHIRAHATTI
- Influence of sowing dates and genotypes on yield, yield attributes and economics of wheat 119**
 - M. SARANYA, P. S. PATTAR, B. T. NADAGOUDA AND V. H. ASHVATHAMA
- Influence of mulching on soil moisture retention, weed dynamics and productivity of pigeonpea [*Cajanus cajan* (L.) Millsp.] 124**
 - K. R. ARUNA, M. B. PATIL, S. S. NOOLI AND RAMESH M. BEERGE
- Comparative characterization of biochar derived from diverse biological waste sources 130**
 - H. C. NAGAVENI, N.S. HEBSUR, V. B. KULIGOD, S. RAJKUMARA AND P. JONES NIRMALANATH
- Evaluation of botanicals, bioagents and ITK's against *Exserohilum turcicum* (Pass.) leonard and Suggs., causal agent of *turcicum* leaf blight of maize 134**
 - N. PRAKRUTHI, S. I. HARLAPUR, G. U. PREMA AND S. R. SALAKINKOP
- Distribution of anthracnose disease in arecanut (*Areca catechu* L.) across non-traditional growing regions of Karnataka 139**
 - K. R. SHRUNGA, P. V. PATIL, GURUDATT M. HEGDE AND RAMAKRISHNA V. HEGDE
- Assessing the effectiveness of commercially available botanicals and bioagents against *Fusarium verticillioides* causing Pokkah boeng disease in maize 142**
 - B. K. SUPRIYA, S. I. HARLAPUR, GURUPADA B. BALOL, BASAVARAJ BAGEWADI AND S. S. CHANDRASHEKAR
- Effect of various growth retardants and detopping techniques on *Bt* cotton (*Gossypium hirsutum* L.) for source sink manipulation 147**
 - SIDDANAGOUDA. R. KOLOOR, U. V. MUMMIGATTI, S. R. KAREEKATTI AND MD. AKBAR
- Constraints in soil testing at farmer's level in North Karnataka 152**
 - JAYALAXMI KANAVALI, BALACHANDRA K. NAIK, V. R. KIRESUR AND B. C. PUNITHA

Growth, instability and decomposition analysis of cashew nut production in India and Kerala	155
- K. K. BHAGYA, B. R. JAMAKHANDI, S. S. GULEDAGUDDA AND N. MANJULA	
A holistic view on financial feasibility of different irrigation methods for major crops in Belagavi district, Karnataka	159
- M. RASHMITHA, G. N. KULKARNI, S. S. GULEDAGUDDA AND S.S ANGADI	
Commercialization of agriculture in north Karnataka: A case study	165
- H. C. HARSHITHA, V. R. KIRESUR, M. Y. TEGGI, J. A. HOSMATH AND SAROJANI J. KARAKANNAVAR	
Factors determining the choice of marketing diversification for principal crops of Punjab	169
- KAMAL DEV AND VINOD NAIK	
Marketing strategy for Apple Value Chain- A case of Himachal Pradesh	174
- SHUCHI MATHUR, M. DEEKSHITH AND G. B. CHAITRA	
Application of Hazell decomposition model on turmeric production variability in Karnataka	177
- D. NAGESH, B. R. JAMAKHANDI AND J. PRASHANTH	
Restraints in tomato seed production in Haveri district.....	181
- B. H. LIKHITH, S. H.GOTYAL AND S. G. ASKI	
Constraints and suggestions elicited by the rural youth in undertaking agriculture and allied activities ...	184
- T. M. TEJASWI, S. L. PATIL, G. N. MARADDI AND G. N. KULKARNI	
Development of floral mead	187
- GEEETA KADAKOL, M. ASHWINI, GEETA D. GOUDAR AND ARCHANA LAMDANDE	
Key words Index	191
Authors Index	193
Instructions to Authors.....	194
