Research Papers

1. Diversity analysis of potato advanced hybrids using morphological and SSR markers – Reena Sharma, SK Kaushik, Vinay Bhardwaj, Dalamu, Anupama Singh, Poonam, Ashwani Kumar, CM Bisht, SK Chakrabarti 1
2. Genome wide identification and digital expression profiling of the ovate family proteins (OFP) in potato – Hemant Balasaheb Kardile, Nirmal Kant Sharma, Ankita Sharma, Rakesh Bhowmick, Rahul, Monu Kumari, Kumar Nishant Choursia, Vinay Bhardwaj 16
3. Effect of crude extracts and essential oils of medicinal plants against *Sclerotinia sclerotiorum* in potato fields – Seyedmohammadreza Ojaghian and Ali Davoudi 24
4. Management of potato late blight (*Phytophthora infestans*) in the Nilgiris – EP Venkatasalam, Aarti Bairwa, Priyank HM, Divya KL, PM Govindakrishnan and Sanjeev Sharma 30
5. Preliminary investigations for exploring scope of pollen cryopreservation for conservation of potato genetic resources – RP Kaur, Vanishree Girimalla, Vinod Kumar, Vinay Bhardwaj 39
6. Processing quality of selected potato (*Solanum tuberosum* L.) cultivars grown in Rwanda – Vedaste Ndungutse, Peninah Muthoni Njiraine Ngoda, Hilda Vasanthakaalam, Eduard Kokan Shakala, Abdul Kipruto Faraj 48
7. Efficiency and reliability of marker assisted selection for resistance to major biotic stresses in potato – Vinay Bhardwaj, Salej Sood, Ashwani Kumar, G Vanishree, Sanjeev Sharma, S Sundaresha, Baswaraj Raigond, Ravinder Kumar, Aarti Bairwa, Mehi Lal and SK Chakrabarti 56
8. Sprouting behavior of aeroponic minitubers of different varieties – Sugani Devi, Sukhwinder Singh, RP Kaur, Mohd Abas Shah and RK Singh 67
9. Leaf chlorophyll meter- A non-destructive method for scheduling nitrogen in potato crop – SP Singh, Manoj Kumar, VK Dua, SK Sharma, MJ Sadawarti and S Roy 73
10. Design and development of two row tractor operated potato combine harvester – Sunil Gulati and Manjit Singh 81

Short Note

11. Bioinformatics platform for unravelling genomes of potato and its pathogens
– Shashi Rawat, Tamanna, Som Dutt, Jagesh Kumar Tiwari, Aarti Bairwa,
Gitesh Verma, SK Chakrabarti, AR Rao, Anil Rai
